

“The South Britain’s Got Talent (or Not)!”

We are seeking talented and not so talented people. We need both for a night of fun and laughter. If you think you can sing, juggle, act, dance or whatever share your idea with either Francesca Sergi or Jan Gregory to be included in the line up.

Remember all talent is welcomed. More details to follow, however, we need performers first! Be brave - share the talent God gave you or the talent you wish God gave you!
